

JOSHUA TREE 3-DAY PHOTO ADVENTURE

[REGISTER HERE](#)

Take in the wild scenery with
Outside the Lens this summer!

9th - 12 GRADE
JOSHUA TREE, CA
3 DAYS / JUNE 23 - 25, 2017

Join Outside The Lens for a 3-Day immersive photo workshop in beautiful Joshua Tree National Park!

Take in the wild desert scenery while practicing an array of photographic techniques ranging from traditional black and white, to digital astrophotography.

This 3-Day immersive workshop will connect high school students with professional photographers. Together, the students will learn how to capture nature and the stunning landscapes Joshua Tree has to offer!

Join us for this creative nature exchange and foster the importance of digital storytelling under the stars while exploring the universal language of photography.

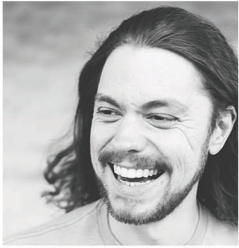

Take photos. Have fun. Experience one of the most majestic places on earth.

WORKSHOP LEADERS

Kyle earned his MFA at the California Institute of the Arts, Los Angeles, where he currently teaches a course on filmmaking with GoPros and cell phone cameras. He has served as a mentor for new filmmaking graduate students and was a founding member of the CalArts Commons Garden. Kyle enjoys camping, wildlife photography and filmmaking.

Hilary is a graduate of the University of California, San Diego with B.A. in Visual Arts-Media and B.A. in Communications. She has a passion for creativity with a cause, and has spent the last three years working with San Diego based nonprofits and multimedia classrooms. After completing a year-long term of service with AmeriCorp's Volunteer Infrastructure Program at Outside the Lens, Hilary transitioned to a full-time Media Educator. Hilary enjoys spending her free time swimming, hiking and occasionally making people laugh.
